SUBJECT: POLAND PROBABLY NOT IN A POSITION TO PROVIDE AMMO  
TO LEBANON

REF: STATE 93173

Classified By: Acting PolCouns David T. Morris for reasons 1.4(b) and (d).

(C) Post forwarded reftel request for ammunition to the Polish MOD and to the MFA Departments for Security Policy and Middle East Africa. However, according to DAO analysis Poland lacks the requested 155mm ammunition and holds only very limited quantities of the requested 105mm ammunition. We therefore do not expect Poland will be able to assist in this case.
